TERMS & CONDITIONS

Application

All interested buyers will need to apply for allotment on a prescribed application form (supplied by the company) duly signed by the applicant along with the specified apartment and Earnest Money. Allotment will be made on first come first served basis. Buyers wishing to make one-time payment in full shall be given a special discount on the price of the apartment. Allotment of apartment is made and confirmed only upon receipt of the Earnest Money. The company reserves the right to accept or reject an application without assigning any reason there of.

Payment

The purchaser will make the payment as per payment schedule. All payments should be made through A/C payee cheque or bank draft or pay order or cash in favor of El Dorado Holdings Ltd. Payments from overseas in US Dollars will be calculated at the prevailing official conversion rate to Bangladeshi taka on the date of encashment.

Signing of deed of agreement

After confirmation of allotment the buyer has to kindly sign the deed of agreement within 30 (thirty) days from the date of making the payment of Earnest Money.

Delay in payment

The schedule agreed in the agreement for allotment for all payments by the allottee shall be the essence of the contract. It is agreed that the allottee will pay a delay charge of 3% per 30 days on the amount of payment delayed to the developer. If a payment is delayed beyond 45 (forty five) days, the developer may exercise its right to cancel the allotment. In the event of cancellation, an amount of Tk. 1,00,000/= (one lac) will be deducted from the allottee's deposited amount for incidental charges. In the event of cancellation of allotment the allottee's deposited amount (after deduction) will be refunded by installments after selling of the same apartment to a new buyer.

Possession

The possession of the apartment will be handed over to the purchaser after completions of the apartment and other charges. Until and unless the dues are not paid, possessions of the apartment will be held by the company.

El dorado's right

The company reserves the right to make changes it both architectural and structural design of the project. Limited changes can be made in specifications for overall interest.

Transfer and registration cost

The company will make registered deed of sale in favor of the buyer after receiving the price in full. The buyer shall bear all costs relating to stamp charges/papers and all taxes (such as transfer Fee, Stamp Duty, Gain Tax, Registration Fee, VAT etc.), registration of deed of sale on valuation of the space with proportionate share of land, Power of Attorney if any, legal costs VAT or any other taxes imposed by the Government in connection with transfer of the apartment.

Incidental cost

Connection charges/expenses relating to gas, water, sewerage and electric connection etc., are not included with the price of apartments. The buyer will also make these payments proportionately.

Force measures

In the event of natural calamities, civil war, strike, war or any act beyond the control of the company then the company shall not be liable for any result for delay or abandoning the project.

Owner's association

Maintenance of all common services and facilities after completion of the project will be done by respective land owner's and flat owner's co-operative society which will be formed in due time. Each apartment owner will deposit Tk. 20,000/- (Twenty thousand) only to the company for the reserve fund of the society before taking possession of space. Income of reserve fund shall be used of maintenance and repair of common facilities of the project. Normal monthly establishment expenses including electric charge for lift, common area water pumps etc. shall be borne by each owner of the apartment proportionately as fixed by the society.
